I am passionate and motivated to produce standout work with my own personality and flair.

With years of experience performing in deadline driven environments, I bring an emphasis on quality and attention to detail to all of my work.

Examples of my work can be found online at [www.oeightfive.com.au](http://www.oeightfive.com.au)

## Design Experience

*February 2011 - July 2013*

Multimedia Designer - Carsales.com.au

Working as part of the design team for National brand Carsales.com.au. Key factors were carrying the branding and the themes across all sub-brands, as well as communicating and working closely with the marketing team and other clients to create online, television and print marketing material.

*February 2006 - November 2009*

Multimedia Designer - Ryebuck Media

Working with both State and Government clients to produce a variety of award winning web and CD-ROM products. Many projects were educational in nature and needed to be visually appealing, informative and engaging to be distributed to students across Australia.
